Dear Stew:

Your Rally Day card is a dandy. I hope it stirs up a tremendous lot of interest as it should and that you have a big crowd out on Sunday. If they all sign up it will certainly give you a fine record which ought to be very useful.

We had Promotion and Award Day last Sunday which, as you know, is our big get-together day for next Sunday is Rally Day when everyone gets down to work by departments and classes.

They came across good and strong last Sunday for the records showed 543 present; 135 were awarded honors - there were some others who claim they should have them. This is an improvement over last year and I think is exceptionally good with our rather strict system of marking.

The Church and School seem to be quite active this Fall and I would not be surprised if we had a pretty good year ahead of us. Hope yours will be the best ever.

Take care of yourself - don't work too hard and keep in touch with me.

Cordially yours,

Bert

Dear Dr Robinson,

I reached this wonderful country just about three days ago. I am delighted to be here in Princeton where I find things which are profitable to me. I am looking forward to having indeed a very profitable time during my stay in America.

Enclosed please find a letter of introduction. I will be delighted to speak on any of "the Church Problems in India" or "General Political situation in the land" or "Missions" or "Indian Womanhood" to any church, society, or club you put me in touch with. Dr Bowman has explained why I am undertaking this speaking work. I hope you will gladly do all you can to help me put me in touch with the people you can.

I can you like me to come & speak next Saturday & Sunday, I can do so. Thanking you for this interest & trouble. I am looking forward to meeting you. I have been pastor of a very large church in India for 5 years now & am here to take my post graduate course for a year or so. Hoping to hear from you soon. With sincerest xtian greetings.

My dear Dr Robinson,

Your letter to hand. Please accept my thanks for it. I tried to get you on the phone yesterday but you were out. Yes it will be better to get together & talk things over. Thank you for your invitation to be your guest on Monday the 20th & I will gladly accept it. I will come by the train which leaves here about 1.6 P.M. & gets into Elizabeth at 2.15 I guess. So this is definite. I hope I don't have much difficulty in finding your home in case you are not able to come & meet me at the Railway station. If you could come it will be fine. Looking forward to

reaching you & cultivating your friendship.
Hoping this finds you in the best of health.
With sincerest Christian greetings.

Most cordially yours

Dear Dr Robinson

I am enclosing check for $50.00 which I would like you to use for such case as came to your attention last night. My only request is that the distribution be solely in your hands & I care not if the recipient be a Christian or a Jew or an Infidel. My feeling is that in that way only can we carry out the teachings of our Saviour in whose steps we desire to follow. Your sermon today was excellent from my standpoint. I am not much concerned re Dogmas or creeds — my Religion is simply a desire to be a follower of Christ & his teachings. That is all!

Best to you & yours

Sincerely
